

Family Days 2010

22-24 May 2020

Unapeda is organising family days in Granville (Manche) with the support of Ariada (The Regional Association for inclusion and accessibility for hearing impaired people in Haute Normandy)

These family days will have several aims:

- to offer opportunities for relaxation and socialising
- to encourage the exchange of experiences between families from different areas
- to inform families of recent changes in law and institutions
- to enable families to become familiar with different methods of communication from French Sign Language to LPC (?) within special workshops.
